Experience

Bird | Spin

August 2023 - Present

Regional Manager

- **Operational Dashboards & Performance Tracking:** Leveraged advanced SQL and Excel to build and scale reporting dashboards, creating real-time visibility into business performance and increasing team efficiency in analyzing campaign and market data by 25%.
- **Go-to-Market Strategy & Execution:** Collaborated with product, marketing, and operations teams to align on a go-to-market strategy for a new market pipeline, managing the launch from ideation to execution and exceeding initial targets by 57%.
- **Data-Driven Strategy & Financial Partnership:** Partnered with data and finance teams to distill complex operational data into actionable insights, influencing a strategic pivot that unlocked a new revenue stream and formed the business case for subsequent investment.
- **Process Optimization & Scalability:** Identified and addressed inefficiencies in the regional operating model, designing and implementing system improvements that reduced manual processing time by 50% and saved thousands of labor hours.
- **P&L & Budget Management:** Owned full P&L responsibility for a \$33M market, partnering with Finance to manage spend, analyze cost drivers, and present performance data in weekly and quarterly business reviews.
- **Cross-Functional Team Development:** Mentored and developed high-performing cross-functional teams, instilling a culture of transparency and accountability that ensured the successful execution of regional growth strategies.

WB Surf

Jan 2021 - Aug 2023

Vice President - Operations

- **Customer Segmentation & Acquisition:** Engineered a data-driven customer segmentation framework that fueled an 80% increase in new customer acquisition and a 15% improvement in retention.
- **Customer Experience & Loyalty:** Revitalized the customer journey by designing and launching tiered service options, directly addressing user feedback and resulting in a 70% improvement in satisfaction scores and a 50% reduction in customer churn.
- **Pricing & Merchandising Strategy:** Synthesized comprehensive competitive and market analyses into a new pricing strategy that drove a 180% increase in revenue for key product lines.
- **Executive Stakeholder Management:** Developed and delivered high-quality presentations to executive leadership and board members, clearly communicating strategic vision and business performance to secure buy-in for new projects.
- **Go-to-Market Process Improvement:** Streamlined the go-to-market process by orchestrating cross-functional alignment across marketing, sales, and product teams, improving launch efficiency and cohesion.

Real

May 2016 - Jan 2021
